ULLFROTTÉ 200

7112 Crewneck 200

Sizes: Unisex, M, L, XL

Colors: BLACK

The garment is designed to be worn next to skin as a moisture wicking base layer. The terry loop fabric construction gives a flexible garment with very good insulation properties. The long sleeved crewneck is made of circular knit fabric and have no lengthwise seams. The back is longer to prevent gaps. Cuffs are knitted in.

ULLFROTTÉ 400

8414 Socks Classic 400

Sizes: 36-39, 40-44, 45-48

Colors: BLACK

The socks have excellent insulating functions and retain heat even when wet. They absorb and transport perspiration away from the skin without losing their function of heat retention. Socks have terry knit feet and shafts.
